957,549 American Depositary Shares Representing 957,549 Ordinary Shares

This prospectus relates to the resale by Kreos Capital V (Expert Fund) L.P., or the Selling Shareholder, of 957,549 American Depositary Shares, or ADSs, representing 957,549 of our ordinary shares, par value NIS 0.10 per share, or Ordinary Shares. The ADSs that may be offered for sale by the Selling Shareholder pursuant to this prospectus are issuable upon the exercise of a warrant issued to the Selling Shareholder on October 2, 2018, or the Warrant. Such registration does not mean that the Selling Shareholder will actually offer or sell the full number of the ADSs or any ADSs.

The Selling Shareholder may offer the ADSs pursuant to this prospectus for resale in a number of different ways in public or private transactions and at varying prices. The prices at which the Selling Shareholder may sell the ADSs will be determined by the prevailing market price for the ADSs or in privately negotiated transactions. We will not receive any proceeds from the sale of the ADSs by the Selling Shareholder.

Our Ordinary Shares currently trade on the Tel Aviv Stock Exchange, or the TASE, under the symbol "BLRX." SUMMARY

This summary highlights selected information contained elsewhere in this prospectus and the documents incorporated by reference herein that we consider important. This summary does not contain all of the information you should consider before investing in the ADSs or our Ordinary Shares. You should read this summary together with the entire prospectus and the information incorporated by reference herein, including the risks related to our main therapeutic candidates, BL-8040 and AGI-134, our therapeutic product, BL-5010, our business, our industry, investing in the ADSs or our Ordinary Shares and our location in Israel, that we describe under "Risk Factors," and our consolidated financial statements and the related notes, which are incorporated by reference herein, before making an investment in the ADSs or our Ordinary Shares.

Our Business

We are a clinical stage biopharmaceutical development company focused on oncology and immunology. Our current development and commercialization pipeline consists of two clinical-stage therapeutic candidates – BL-8040, a novel peptide for the treatment of hematological malignancies, solid tumors and stem cell mobilization, and AGI-134, an immuno-oncology agent in development for solid tumors; and one therapeutic product – BL-5010. We generate our pipeline by systematically identifying, rigorously validating and in-licensing therapeutic candidates that we believe exhibit a high probability of therapeutic and commercial success. To date, except for BL-5010, none of our therapeutic candidates has been approved for marketing or sold commercially. Our strategy includes commercializing our therapeutic candidates through out-licensing arrangements with biotechnology and pharmaceutical companies. We also evaluate, on a case-by-case basis, co-development and similar arrangements and the commercialization of our therapeutic candidates independently.

In January 2016, we entered into a collaboration with MSD (a tradename of Merck & Co., Inc., Kenilworth, New Jersey), in the field of cancer immunotherapy and in September 2016, we entered into a collaboration with Genentech, Inc., a member of the Roche Group, in the field of cancer immunotherapy. In addition, since December 2014 we have been collaborating with Novartis for the co-development of selected Israeli-sourced novel drug candidates.

Our Product Development Approach

We seek to develop a pipeline of promising therapeutic candidates that exhibit distinct advantages over currently available therapies or address unmet medical needs. Our resources are focused on advancing our therapeutic candidates through development and toward commercialization.

We have established close relationships with various universities, academic and research institutions and biotechnology companies that permit us to identify and select compounds at various stages of clinical and pre-clinical development. Our approach is consistent with our objective of proceeding only with therapeutic candidates that we believe exhibit a relatively high probability of therapeutic and commercial success.

Our Strategy

Our objective is to become a leader in the development of novel therapeutics for the treatment of cancer. We have successfully advanced a number of therapeutic candidates into clinical development. We intend to commercialize our two clinical candidates, BL-8040 and AGI-134, and any future candidates through out-licensing or co-development arrangements with third parties who may perform any or all of the following tasks: completing development, securing regulatory approvals, securing reimbursement codes from insurance companies and Health Maintenance Organizations, manufacturing and/or marketing. If appropriate, we may also enter into co-development and similar arrangements with respect to any therapeutic candidate with third parties or commercialize a therapeutic candidate ourselves.

- competitive companies, technologies and our industry; and
- statements as to the impact of the political and security situation in Israel on our business.

RISK FACTORS

Investing in our Ordinary Shares or ADSs involves a high degree of risk. You should carefully consider the risk factors incorporated by reference to our most recent Annual Report on Form 20-F, our subsequent Current Reports on Form 6-K and the other information contained in this prospectus, as updated by our subsequent filings under the Securities Exchange Act of 1934, as amended, or the Exchange Act, and the risk factors and other information contained in any accompanying prospectus supplement. See the section of this prospectus entitled “Where You Can Find More Information.” Any of the risks we describe in our documents incorporated by reference could cause our business, financial condition or operating results to suffer. The market price of our Ordinary Shares and ADSs could decline if one or more of these risks and uncertainties develop into actual events. You could lose all or part of your investment.

USE OF PROCEEDS

The Selling Shareholder will receive all of the proceeds from the sale of the ADSs offered by this prospectus. We will not receive any proceeds from the sale of the ADSs offered by this prospectus.

SELLING SHAREHOLDER

On October 2, 2018, we entered into an agreement (the “Loan Agreement”) with the Selling Shareholder, as lender, to provide us with a loan in the amount of \$10 million. In connection with entering into the Loan Agreement, the Selling Shareholder received a Warrant to purchase 957,549 ADSs at an exercise price of \$0.9399 per ADS, subject to typical adjustments. The Warrant is exercisable for a period of ten years from the date of issuance. This prospectus relates to the possible resale by the Selling Shareholder of ADSs that have been or may be issued to the Selling Shareholder pursuant to the Warrant.

Up to 957,549 of the ADSs are being offered by this prospectus, all of which are being offered for resale by the Selling Shareholder. The Selling Shareholder, may, from time to time, offer and sell pursuant to this prospectus any or all of the ADSs being registered. The Selling Shareholder may sell some, all or none of its ADSs. We do not know how long the Selling Shareholder will hold the ADSs before selling them, and we currently have no agreements, arrangements or understandings with the Selling Shareholder regarding the sale of any of the ADSs.

The following table presents information regarding the Selling Shareholder and the number of Ordinary Shares underlying ADSs that it may offer and sell from time to time under this prospectus. The table is prepared based on information supplied to us by the Selling Shareholder, and reflects its holdings as of December 26, 2018. Neither the Selling Shareholder nor any of its affiliates has held a position or office, or had any other material relationship, with us or any of our predecessors or affiliates. Beneficial ownership is determined in accordance with Rule 13d-3(d) promulgated by the SEC under the Exchange Act. The percentage of Ordinary Shares underlying ADSs beneficially owned prior to the offering is based on 114,930,636 Ordinary Shares actually outstanding as of December 26, 2018.

	Ordinary Shares Owned	Percentage		Ordinary Shares Owned	Percentage

(1) The address of Kreos Capital V (Expert Fund) L.P., which is organized under the laws of Jersey, is 47 Esplanade, St Helier, Jersey.

PLAN OF DISTRIBUTION

The Selling Shareholder may sell the ADSs being offered from time to time in one or more transactions:

- in the over-the-counter market;
- in negotiated transactions;
- through broker-dealers, who may act as agents or principals;
- through one or more underwriters on a firm commitment or best efforts basis;
- through the writing of options on shares, whether the options are listed on an options exchange or otherwise; or
- a combination of such methods of sale.

The Selling Shareholder may sell the ADSs at market prices prevailing at the time of sale, at prices related to those market prices or at negotiated prices. The Selling Shareholder may effect transactions by selling the ADSs directly to purchasers or to or through broker-dealers. The broker-dealers may act as agents or principals. The broker-dealers may receive compensation in the form of discounts, concessions or commissions from the Selling Shareholder or the purchasers of the ADSs. The compensation of any particular broker-dealer may be in excess of customary commissions. Because the Selling Shareholder and broker-dealers that participate with the Selling Shareholder in the distribution of the ADSs may be deemed to be “underwriters” within the meaning of Section 2(a)(11) of the Securities Act, the Selling Shareholder will be subject to the prospectus delivery requirements of the Securities Act. Any commissions received by them and any profit on the resale of ADSs may be deemed to be underwriting compensation.

The Selling Shareholder has advised us that it has not entered into any agreements, understandings or arrangements with any underwriters or broker-dealers regarding the sale of its securities.

The ADSs will be sold through registered or licensed brokers or dealers if required under applicable state securities laws. In addition, in certain states the ADSs may not be sold unless they have been registered or qualified for sale in the applicable state or an exemption from the registration or qualification requirement is available and is complied with.

We will bear all costs, expenses and fees in connection with the registration of the ADSs.

Upon notification to us by the Selling Shareholder that any material arrangement has been entered into with broker-dealers for the sale or purchase of ADSs, we will file a supplement to this prospectus, if required, disclosing:

- the name of the participating broker-dealers;
- the number of ADSs involved;
- the price at which such ADSs were sold;
- the commissions paid or discounts or concessions allowed to such broker-dealers, where applicable;
- that such broker-dealers did not conduct any investigation to verify the information set out or incorporated by reference in this prospectus; and
- other facts material to the transaction.

WHERE YOU CAN FIND MORE INFORMATION

We have filed with the SEC a registration statement on Form F-3 under the Securities Act, relating to this offering of securities. This prospectus does not contain all of the information contained in the registration statement. The rules and regulations of the SEC allow us to omit certain information from this prospectus that is included in the registration statement. Statements made in this prospectus concerning the contents of any contract, agreement or other document are summaries of all material information about the documents summarized, but are not complete descriptions of all terms of these documents. If we filed any of these documents as an exhibit to the registration statement, you may read the document itself for a complete description of its terms.

In addition, we file reports with, and furnish information to, the SEC. You may read and copy the registration statement and any other documents we have filed at the SEC, including any exhibits and schedules, at the SEC's public reference room at 100 F Street N.E., Washington, D.C. 20549. EXPERTS

The financial statements and management's assessment of the effectiveness of internal control over financial reporting (which is included in Management's Report on Internal Control over Financial Reporting) incorporated in this prospectus by reference to the Annual Report on Form 20-F for the year December 31, 2017 have been so incorporated in reliance on the report of Kesselman and Kesselman, Certified Public Accountants (Isr.), a member firm of PricewaterhouseCoopers International Limited, an independent registered public accounting firm, given on the authority of said firm as experts in auditing and accounting.

LEGAL MATTERS

Certain matters concerning this offering will be passed upon for us by Mayer Brown LLP, New York, New York. The validity of the securities being offered by this prospectus and other legal matters concerning this offering relating to Israeli law will be passed upon for us by Yigal Arnon & Co., Jerusalem, Israel.

ENFORCEABILITY OF CIVIL LIABILITIES

We are incorporated under the laws of the State of Israel. Service of process upon us and upon our directors and officers and the Israeli experts named in this registration statement, substantially all of whom reside outside of the United States, may be difficult to obtain within the United States. Furthermore, because substantially all of our assets and substantially all of our directors and officers are located outside the United States, any judgment obtained in the United States against us or any of our directors and officers may not be collectible within the United States.

We have been informed by our legal counsel in Israel, Yigal Arnon & Co., that it may be difficult to assert U.S. securities law claims in original actions instituted in Israel. Israeli courts may refuse to hear a claim based on a violation of U.S. securities laws because Israel is not the most appropriate forum to bring such a claim. In addition, even if an Israeli court agrees to hear a claim, it may determine that Israeli law and not U.S. law is applicable to the claim. If U.S. law is found to be applicable, the content of applicable U.S. law must be proved as a fact which can be a time-consuming and costly process. Certain matters of procedure will also be governed by Israeli law.

Subject to specified time limitations and legal procedures, Israeli courts may enforce a United States judgment in a civil matter which, subject to certain exceptions, is non-appealable, including judgments based upon the civil liability provisions of the Securities Act and the Exchange Act and including a monetary or compensatory judgment in a non-civil matter, provided that among other things:

- the judgments are obtained after due process before a court of competent jurisdiction, according to the laws of the state in which the judgment is given and the rules of private international law currently prevailing in Israel;
 - the prevailing law of the foreign state in which the judgments were rendered allows for the enforcement of judgments of Israeli courts;
 - adequate service of process has been effected and the defendant has had a reasonable opportunity to be heard and to present his or her evidence;
 - the judgments are not contrary to public policy of Israel, and the enforcement of the civil liabilities set forth in the judgment is not likely to impair the security or sovereignty of Israel;
 - the judgments were not obtained by fraud and do not conflict with any other valid judgments in the same matter between the same parties;
- an action between the same parties in the same matter is not pending in any Israeli court at the time the lawsuit is instituted in the foreign court; and
- the judgment is enforceable according to the laws of Israel and according to the law of the foreign state in which the relief was granted.

Generally, an Israeli court will not enforce a foreign judgment if the motion for enforcement was filed more than five years after the date of its award in the United States, unless Israel and the United States have agreed otherwise on a different period, or if an Israeli court finds exceptional reasons justifying the delay.

If a foreign judgment is enforced by an Israeli court, it generally will be payable in Israeli currency, which can then be converted into non-Israeli currency and transferred out of Israel. Under existing Israeli law, a foreign judgment payable in foreign currency may be paid in Israeli currency at the rate of exchange in force on the date of the payment. A judgment debtor may also make payment in foreign currency. Pending collection, the amount of the judgment of an Israeli court stated in Israeli currency ordinarily will be linked to the Israeli consumer price index plus interest at the annual statutory rate set by Israeli regulations prevailing at the time. Judgment creditors must bear the risk of unfavorable exchange rates.

PART II
INFORMATION NOT REQUIRED IN PROSPECTUS

Item 8. Indemnification of Directors, Officers and Employees

An Israeli company may indemnify an office holder in respect of certain liabilities either in advance of an event or following an event provided that a provision authorizing such indemnification is inserted in its articles of association. Our Articles of Association contain such a provision. An undertaking provided in advance by an Israeli company to indemnify an office holder with respect to a financial liability imposed on him or her in favor of another person pursuant to a judgment, settlement or arbitrator's award approved by a court must be limited to events that, in the opinion of the Board of Directors, can be foreseen based on the company's activities when the undertaking to indemnify is given, and to an amount or a criteria determined by the Board of Directors as reasonable under the circumstances, and such undertaking must detail the abovementioned events and amount or criteria.

In addition, a company may indemnify an office holder against the following liabilities incurred for acts performed as an office holder:

- reasonable litigation expenses, including attorneys' fees, incurred by the office holder as a result of an investigation or proceeding instituted against him or her by an authority authorized to conduct such investigation or proceeding, provided that (i) no indictment was filed against such office holder as a result of such investigation or proceeding; and (ii) no financial liability, such as a criminal penalty, was imposed upon him or her as a substitute for the criminal proceeding as a result of such investigation or proceeding, or, if such financial liability was imposed, it was imposed with respect to an offense that does not require proof of criminal intent; and
- reasonable litigation expenses, including attorneys' fees, incurred by the office holder or imposed by a court in proceedings instituted against him or her by the company, on its behalf or by a third party or in connection with criminal proceedings in which the office holder was acquitted or as a result of a conviction for a crime that does not require proof of criminal intent.

An Israeli company may insure a director or officer against the following liabilities incurred for acts performed as a director or officer:

- a breach of duty of care to the company or to a third party, including a breach arising out of the negligent conduct of an office holder;
- a breach of duty of loyalty to the company, provided the director or officer acted in good faith and had a reasonable basis to believe that the act would not prejudice the interests of the company; and
- financial liabilities imposed on the office holder for the benefit of a third party.

An Israeli company may not indemnify or insure an office holder against any of the following:

- a breach of duty of loyalty, except to the extent that the office holder acted in good faith and had a reasonable basis to believe that the act would not prejudice the company;
 - a breach of duty of care committed intentionally or recklessly, excluding a breach arising out of the negligent conduct of the office holder;
 - an act or omission committed with intent to derive illegal personal benefit;
 - a fine levied against the office holder; or
 - against liabilities incurred by the office holder under an administrative proceeding initiated by the ISA under Chapters VIII-3, VIII-4 or IX-1 of the Israeli Securities Law (excluding indemnification or insurance for payment imposed on the office holder in favor of an injured party under such administrative procedure or expenses that the office holder incurred in connection with such administrative procedure).
-

Under the Companies Law, indemnification and insurance of office holders must be approved by our compensation committee and our Board of Directors and, in respect of our directors and/or our chief executive officer, by our shareholders. Our directors and officers are currently covered by a directors and officers' liability insurance policy with respect to specified claims. To date, no claims for liability have been filed under this policy. In addition, we have entered into indemnification agreements with each of our directors and officers and the directors and officers of our subsidiaries providing them with indemnification for liabilities or expenses incurred as a result of acts performed by them in their capacity as our or our subsidiaries' directors and officers. This indemnification is limited both in terms of amount and coverage. In the opinion of the SEC, however, indemnification of directors and office holders for liabilities arising under the Securities Act is against public policy and therefore unenforceable.

Item 9. Exhibits and Financial Statement Schedules

(a) Exhibits

See Exhibit Index.

The agreements included as exhibits to this registration statement contain representations and warranties by each of the parties to the applicable agreement. These representations and warranties were made solely for the benefit of the other parties to the applicable agreement and (i) were not intended to be treated as categorical statements of fact, but rather as a way of allocating the risk to one of the parties if those statements prove to be inaccurate; (ii) may have been qualified in such agreement by disclosures that were made to the other party in connection with the negotiation of the applicable agreement; (iii) may apply contract standards of "materiality" that are different from "materiality" under the applicable securities laws; and (iv) were made only as of the date of the applicable agreement or such other date or dates as may be specified in the agreement.

The registrant acknowledges that, notwithstanding the inclusion of the foregoing cautionary statements, the registrant is responsible for considering whether additional specific disclosures of material information regarding material contractual provisions are required to make the statements in this registration statement not misleading.

(b) Financial Statement Schedules

All schedules have been omitted because either they are not required, are not applicable or the information is otherwise set forth in the consolidated financial statements and related notes thereto.

Item 10. Undertakings

(a) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the provisions described in Item 8 hereof, or otherwise, the Registrant has been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

(b) The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) that, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

SIGNATURES

Pursuant to the requirements of the Securities Act of 1933, the Registrant certifies that it has reasonable grounds to believe that it meets all of the requirements for filing on Form F-3 and has duly caused this registration statement to be signed on its behalf by the undersigned, thereunto duly authorized, in the City of Modi'in, State of Israel on this 26 day of December, 2018.

Re: **BioLineRx Ltd. — 957,549 American Depository Shares Representing 957,549 Ordinary Shares**

Dear Sir and Madam:

We have acted as Israeli counsel to BioLineRx, Ltd., (the "Company") in connection with the issuance to Kreos Capital V (Expert Fund) L.P., of a warrant (the "Warrant") to purchase up to an aggregate of 957,549 American Depository Shares (the "ADSs"), each representing one ordinary share, NIS 0.10 par value per share of the Company (the "Ordinary Shares"), which Warrant was issued on October 2, 2018. The ADSs issuable upon exercise of the Warrant are being registered under a registration statement on Form F-3 (Registration Statement No. 333-_____) (the "Registration Statement") filed with the Securities and Exchange Commission (the "Commission") under the Securities Act of 1933, as amended (the "Securities Act"), and any related prospectus or prospectuses, if any.

As counsel to the Company in Israel, we have examined copies of the Memorandum of Association and the Articles of Association, as amended, of the Company and such corporate records, instruments, and other documents relating to the Company and such matters of law as we have considered necessary or appropriate for the purpose of rendering this opinion. In such examination, we have assumed the genuineness of all signatures, the authenticity of all documents submitted to us as originals, and the conformity to authentic originals of all documents submitted to us as copies.

Based on the foregoing, we advise you that in our opinion, the Warrant was duly issued, and the Ordinary Shares underlying the ADSs are duly authorized, legally issued, fully-paid and non-assessable.

We are members of the Israeli bar, and the opinions expressed herein are limited to questions arising under the laws of the State of Israel, and we disclaim any opinion whatsoever with respect to matters governed by the laws of any other jurisdiction.

Mayer Brown LLP may rely upon this opinion for the purpose of rendering their opinion dated December [—], 2018, with respect to certain matters concerning the ADSs.

We hereby consent to the use of this opinion as Exhibit 5.1 to the Registration Statement, and to the reference to us under the caption “Legal Matters” in the prospectus included in the Registration Statement. In giving such consent, we do not hereby admit that we are in the category of persons whose consent is required under Section 7 of the Securities Act or the rules and regulations of the Commission.

Re: BioLineRx Ltd. – Shelf Registration Statement on Form F-3

Ladies and Gentlemen:

We have acted as special U.S. counsel to BioLineRx Ltd., a corporation organized under the laws of the State of Israel (the “Company”), in connection with the preparation and filing by the Company with the Securities and Exchange Commission (the “Commission”) under the Securities Act of 1933, as amended (the “Securities Act”), of a registration statement on Form F-3 (the “Registration Statement”) relating to the offering from time to time, together or separately and in one or more series (if applicable), of up to 957,549 of the Company’s American Depositary Shares (the “ADSs”), each representing one (1) ordinary share, par value NIS 0.10 per share, of the Company (the “Ordinary Shares”). The ADSs being registered under the Registration Statement will be offered by the Company on a continuous or delayed basis pursuant to the provisions of Rule 415 under the Securities Act in amounts, prices, and on terms to be set forth in one or more supplements to the final prospectus (the “Prospectus”) included in the Registration Statement at the time it becomes effective.

In connection with this opinion, we have examined such corporate records, documents, instruments, certificates of public officials and of the Company and such questions of law as we have deemed necessary for the purpose of rendering the opinions set forth herein. We also have examined the Registration Statement, substantially in the form in which it was transmitted to the Commission.

In such examination, we have assumed the genuineness of all signatures and the authenticity of all items submitted to us as originals and the conformity with originals of all items submitted to us as copies. We have also assumed that the Registration Statement will be effective under the Securities Act before any ADSs are sold pursuant thereto.

The opinions hereinafter expressed are subject to the following qualifications and exceptions:

(i) the effect of bankruptcy, insolvency, reorganization, arrangement, moratorium or other similar laws relating to or affecting the rights of creditors generally, including, without limitation, laws relating to fraudulent transfers or conveyances, preferences and equitable subordination;

(ii) limitations imposed by general principles of equity upon the availability of equitable remedies or the enforcement of provisions of any Securities, and the effect of judicial decisions which have held that certain provisions are unenforceable where their enforcement would violate the implied covenant of good faith and fair dealing, or would be commercially unreasonable, or where their breach is not material; and

(iii) our opinion is based upon current statutes, rules, regulations, cases and official interpretive opinions, and it covers certain items that are not directly or definitively addressed by such authorities.

Based on the foregoing, and subject to the further assumptions and qualifications set forth below, it is our opinion that, when the ADSs are issued in accordance with the deposit agreement, dated as of July 21, 2011, among the Company, The Bank of New York Mellon, as depositary, and all owners and holders of ADSs of the Company issued thereunder, against the deposit of duly authorized, validly issued, fully paid and non-assessable Ordinary Shares, such ADSs will be duly and validly issued and will entitle the holders thereof to the rights specified therein.

We express no opinion as to matters governed by laws of any jurisdiction other than the laws of the State of New York and the federal laws of the United States of America, as in effect on the date hereof. In rendering the foregoing opinions, we have relied, for matters involving Israeli law, solely on the opinion of Yigal Arnon & Co., Tel-Aviv, Israel.

We hereby consent to the use of our name under the heading "Legal Matters" in the Registration Statement to be filed by the Company with the Commission. We further consent to your filing a copy of this opinion as Exhibit 5.2 to the Registration Statement. In giving such consent, we do not hereby admit that we are acting within the category of persons whose consent is required under Section 7 of the Securities Act or the rules and regulations of the Commission thereunder. We disclaim any undertaking to advise you of any subsequent changes of the facts stated or assumed herein or any subsequent changes in applicable law.

Very truly yours,

/s/ Mayer Brown LLP
